MEMORANDUM FOR: Project Director

SUBJECT : Temporary Assignment of Airman 1/C Marshall L. REBITSKI -
Request for Approval

1. Preliminary arrangements have been made between [redacted] Acting ELINT Staff Officer, CIA and Lt. Colonel Donald Reed, AFSS, USAF for the temporary assignment of Airman 1/C Marshall L. REBITSKI to assist System III readout. This proposal was discussed with Mr. Bissell by Messrs. [redacted] and Strong and was approved in principle at that time.
2. The proposed work is to be accomplished in the Barton Hall TALENT Area utilizing available ELINT equipment. The duration of this assignment is estimated to be from one to three weeks.
3. This assistance is necessary because of special additional language qualifications on the part of Airman 1/C REBITSKI that are not available to this office at the present time, as well as his familiarity with this type of intercept material.
4. It is requested that a position approval be designated in order to enable the subject to be granted AQUATONE and TALENT clearances for this assignment.
5. REBITSKI presently has a full TS clearance based on background investigation and a special intelligence (Category III), granted by the Air Force.
